

COOL SCENES- TECHNOLOGY ACTIVITY KIT

PREVIEW

COOL SCENES-TECHNOLOGY ACTIVITY KIT
SCENARIOS

SCENARIO #1

Eric and Sam met online and have been chatting every day for a few months. Eric has told Sam that he likes her, and Sam feels the same way. One day when Sam isn't online at the regular time that they usually chat, Eric sends her an angry email about her not caring about him. Sam feels that he is being controlling of her time.

COOL OR NOT COOL

- 1) Sam makes sure she is always online at their agreed upon time.
- 2) Sam tells Eric how she feels about his anger towards her.
- 3) Sam stops going online for a few days.

SCENARIO #2

Mary and her friends hear the word "blowjob" from another student in their classroom. They don't know what it means but think it has to do with sex. Mary decides to type the word into an internet search on a computer at school to find out.

COOL OR NOT COOL

- 1) Looking up information at school when you don't know.
- 2) Using school computers to look up information about sex.
- 3) Asking a parent or other adult information about sex.

SCENARIO #3

Jason and Stephanie have been having sex together for about a year. Jason is going away to camp for the summer, and asks Stephanie if he can take some sexy pictures of her to remember her by. In the middle of the summer, Stephanie texts him that she thinks they should break up. Jason is very hurt.
